Play?

SAFETY

Report any problems to
Lt Col Christine St Onge

From the Director

Students

Welcome to one of the best training
experiences of your Civil Air Patrol
career.

You will be challenged to expand
your knowledge and abilities in and
for CAP.

The NERSC will give you a better un-
derstanding of how to communicate
with your fellow CAP members as
well as others outside of CAP.

You will have the ability to carry
yourself in a military manner and to
practice good Air Force and CAP cus-
toms and courtesies.

I have found that a good sense of
humor, comradeship and the abil-
ity to accept changes with flexibility
are keys to having an enjoyable stay
at McGuire Dix Lakhurst Joint Base.

We are on a Military facility so
maintain and conduct your yourself
with that in mind.

Remember SAFETY is number one
in all we do at the NERSC.

Dennis R. Bannon Lt Col, CAP
Director NERSC
